Artwork and Image Files , and other Need-To-Know Details

STAMPS WITH LOGOS OR ARTWORK

For the best possible results, we accept black and white line art images. Artwork must be at least 300 dpi.

Acceptable files: .pdf, .eps, .tif, .bmp, .cdr formats.

Please be aware Images pulled from websites are 72 dpi and will not reproduce clearly. We cannot use these images.

SIGNATURE STAMPS

Please provide the signature on plain white, unlined paper or note card, written in black ink. Signatures signed with a fine point black felt marker such as a Sharpie, tend to work best. For best results, signatures should be scanned 300 dpi or greater and emailed. Signatures that are faxed may be noticeably bitmapped.

TYPESSETTING

If font specifications are not provided, default is 12 pt Arial, Centered, All Caps.

If ink color is not specified for self-inking and pre-inked stamps or refill pads, black will be provided.

FULL COLOR NAMEBADGES

Artwork provided in a jpg format can only be printed as is. If color match is necessary, please provide artwork in a vector file.

Please be aware Images pulled from websites are 72 dpi and will not reproduce clearly. We cannot use these images.

SPECIAL PURPOSE INKS

Please make us aware if you intend to stamp on glossy or non-absorbent surfaces so we can recommend the correct inks.

PROOFS AND QUOTES

Proofs, quotes and confirmations are generated and provided only when requested.

The first proof and two revised proofs are provided at no charge. Any additional proofs will incur a \$25.00 charge per proof.

Please review proofs carefully to avoid any unnecessary charges.

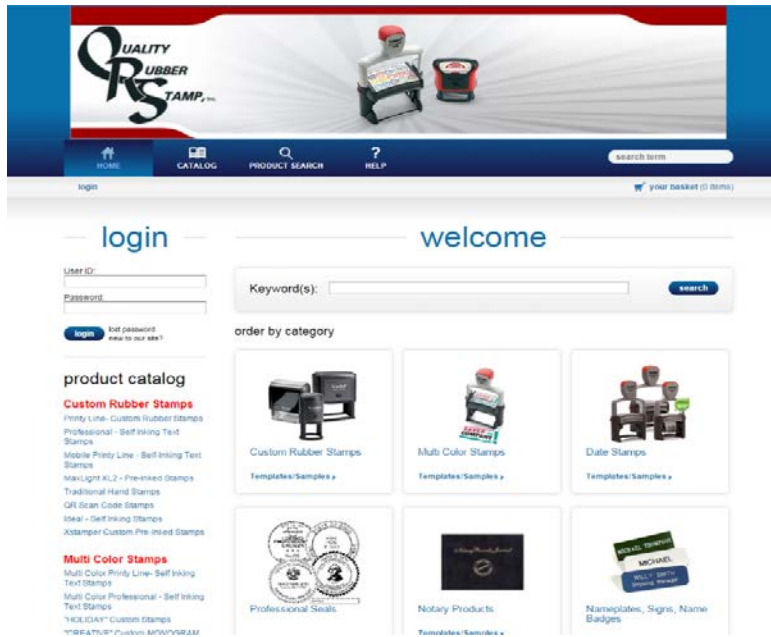

REPLACING STAMP PADS

For help in replacing stamp pads, we have loaded youtube videos showing the process. Please visit our website at qrsohio.com Scroll to the bottom of the home page and select the Informative Videos link highlighted in red. Choose the video that matches your product to see detailed instructions.
